

Colourflex Transfer

A CMYK+W digital print process for apparel and fabrics. It produces high-definition, vibrant artwork with a soft-touch matt finish and efficient self-weeding technology.

BEST FOR

Tees, hoodies, apparel, bags and fabric items needing full-colour or photographic artwork

COLOURS

Full CMYK + white underbase; approximate spot colours. Metallic and neon/fluorescent colours cannot be reproduced.

LEAD TIME

6-8 working days; can be shipped straight after printing

ARTWORK NEEDED

Vector or bitmap at 300DPI at actual print size. Fonts should be converted to outlines/objects. Minimum detail 1mm.

AVAILABLE FOR

Apparel / Bags & Totes / Headwear
